Southern Microlight Club (SMC) Membership Requirements

Please take note of the following important membership requirements:

1. The SMC is **affiliated** with the Hang Gliding Federation of Australia (HGFA)
2. Weightshift Management (WM) Microlight Trike Pilot Members of the HGFA can apply to join and become Pilot Members of the SMC.
3. If a Pilot Member of the SMC owns a Trike, that Trike must be registered with the HGFA, and have HGFA registered numbers attached to the wing as specified. **Note; CASA specifies that a HGFA WM pilot can only pilot a HGFA registered Trike.**
4. A Pilot Member of the SMC who decides not to continue membership with the HGFA must advise the SMC committee and their membership will cease with the SMC at the same time.
5. There are some WM pilot members of the SMC who hold Pilot Licences that enables them to fly other types of aircraft, and as a result they are members of different organisations who support those licences. **Those members are reminded that, in order to maintain their membership with the SMC, they need to observe the rules as outlined above.**
6. The activities of the SMC are for HGFA registered WM Pilots and HGFA registered Trikes only.

The Club's Constitution is available for all to read, and can be located on the SMC website under "Forms".
